2021 Conference

*Rivers, Roads, and Rails; Connecting Arkansas's Past
to the Present*

March 5-7th, 2021 – Paragould, Arkansas

Hosted by The Northeast District of ALHA and Arkansas State Parks

Call for Workshops, Sessions, Panels, and Presentations

Transportation played a crucial role in developing the Arkansas we know and interpret as Living Historians today. These tangible systems that link one place to another also serve as a reminder to reflect on how we as an institution connect our resources to the visiting public. Are the systems we have in place allowing a smooth and enjoyable experience for the visitor? What hazards could we as institutions better navigate to better connect the past to the present?

The Arkansas Living History Association seeks proposals for workshops, sessions, panels, and presentations for the 2021 Conference. To submit a proposal, please fill out the form on the back. Attach additional sheets if necessary. Submissions will be accepted by mail or email. All presenters are expected to register for the full meeting or the day on which they present
